

2021 ANNUAL GENERAL MEETING OF SHAREHOLDERS

NOTICE-AND-ACCESS NOTIFICATION TO SHAREHOLDERS

You are receiving this notification as GoldHaven Resources Corp. (the “Company”) has decided to use the notice and access model for delivery of meeting materials for its 2021 Annual General Meeting (“Meeting”) to its shareholders. This Notice of Meeting is prepared under the notice-and-access rules that came into effect on February 11, 2013 under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under notice-and-access, shareholders still receive a proxy or voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the Information Circular, shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally responsible as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders. The Company will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some shareholders with this notice package. In relation to the Meeting, all shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.
